All Members/Residents,

JIO INTERNET CONNECTION FOR INDIVIDUAL PLOTS.

NSG SAS LTD had organized a detailed analysis during Aug, Sept 2020 for special arrangements to provide JIO Internet connection to the residents of the Society. The then Senior Manager/Manager of JIO Fibers had accordingly laid down optical fibers in the entire Society by proper digging and installing necessary equipments and distribution boxes for providing individual connections to plots. However, the process remained incomplete due to various reasons. As a result, some members found difficulties in taking connection of JIO Fibers because of limited number of distribution boxes installed between three to four plots (one box for minimum three plots). This system was not satisfactory as such the Society approached the Authorities once again for making proper arrangement of connectivity.

2. Shri Mohender Prakash, Dy.Manager JIO Digital Life visited Society Office with his Team and had a detailed meeting with the Secretary, Treasurer & Manager(Admn) and decided to provide suitable number of distribution boxes if some reasonable number of members submit their request for JIO internet connections.

3. Members/Residents are accordingly requested to call Sh Shamshad Mobile No.9457948616 for their requirement of JIO Internet connection. Based on their request JIO Net will provide additional boxes as per requirement and will provide connections.
